Incumbent repairs and overhauls as a regular and recurring duty, a variety of the mechanically more complex major systems to include engines such as high torque 12-cylinder engines which may be supercharged or turbocharged; cross drive or similar multi-system transmissions (such as those which have breaking, steering, and differential systems mechanically integrated with the transmission); and a variety of types and designs of intricate fuel injection systems.

Method of Evaluating Qualifications:
Knowledge, Skills and Abilities (KSA)

Candidates will be evaluated on the KSAs listed below. In addressing each KSA you should describe, accurately and completely, the tasks, activities, education and experience which demonstrates your possession of the KSA listed below. Also, **give the percentage of time or number of months you performed the KSA.** Include all military experience, qualifications or training in MOS related to the position. Mere possession of an MOS is not necessarily qualifying experience, months of actual experience is the qualifying factor.

APPLICATIONS WILL BE EVALUATED ON THE FOLLOWING EXPERIENCE, KSAs:

General Experience

Experience, education, or training which demonstrates the candidate's ability to repair, overhaul, and rebuild heavy mobile systems and vehicles. Must have the ability to interpret technical manuals, illustrations, specifications, diagrams, schematics and similar guides to make repairs and modifications. Must be skilled in the use of diagnostic and test equipment to determine mechanical problems.

Specialized Experience

On a separate sheet of paper, identify how you gained specialized experience required for this position. Applicants applying at the **WG-11** level must have **18 months** experience in positions that demonstrate the following knowledge, skill, and abilities (KSAs):

1. Knowledge of and skill in repairing, overhauling and rebuilding major assemblies and systems of heavy mobile equipment.
2. Ability to troubleshoot complex malfunctions requiring knowledge of the interaction of several subsystems.
3. Skill in use of hand tools and precision measuring equipment.
4. Ability to interpret technical manuals, illustrations, specifications, diagrams and schematics to make repairs and modifications.

Substitution of Education for Specialized Experience

Study successfully completed in a college, university, technical or vocational school may be substituted for experience at the rate of one year of study (30 semester hours or 20 classroom hours of instruction per week) for 6 months of experience. Courses must be directly related to the work of the position.

Special Information

Unit of military assignment is CSMS in **CMF: 63 MOS: 88M/Z**. Selectee will be required to participate in the Direct Deposit Electronics Funds Transfer program. Acceptance of a permanent or indefinite position with the Oregon National Guard will cause termination from any Guard recruitment bonus or Guard Paid Student loan. A law enforcement background check may be required prior to appointment to this position. By submitting a resume or application for this position, you authorize this agency to accomplish the check. This is Dual-Status position and membership in the Oregon National Guard is required.
